Dear Veterans, Family, Friends and Special Guests,

Welcome to the Americans of Japanese Heritage All Veterans Reunion! We celebrate this event with you because JA Living Legacy believes that your experiences, memories and sacrifices are foundational elements of this country's true history. It is our profound belief that this country is indebted to you and that your participation in America's armed forces needs to be recognized.

The mission of the Japanese American Living Legacy organization is to capture history as from those who lived it. We realize that military experience goes beyond the battlefield and that your participation is a living testimony to patriotism and dedication to America. We believe in educating all Americans about your commitment to life, liberty and the pursuit of happiness.

Celebrate your life with your family and friends and know that you are appreciated by our community! *Celebrate* this great country's continued fight to make this world a better place! But most of all ... *Celebrate* for the ones who fought beside you and could not come home. We cannot forget those Americans.

We commend your participation in our country's history and this historic reunion. Congratulations, we wish everyone the best reunion possible.

With Gratitude,

Natalia Yamashiro
President
